YELL LEADERS

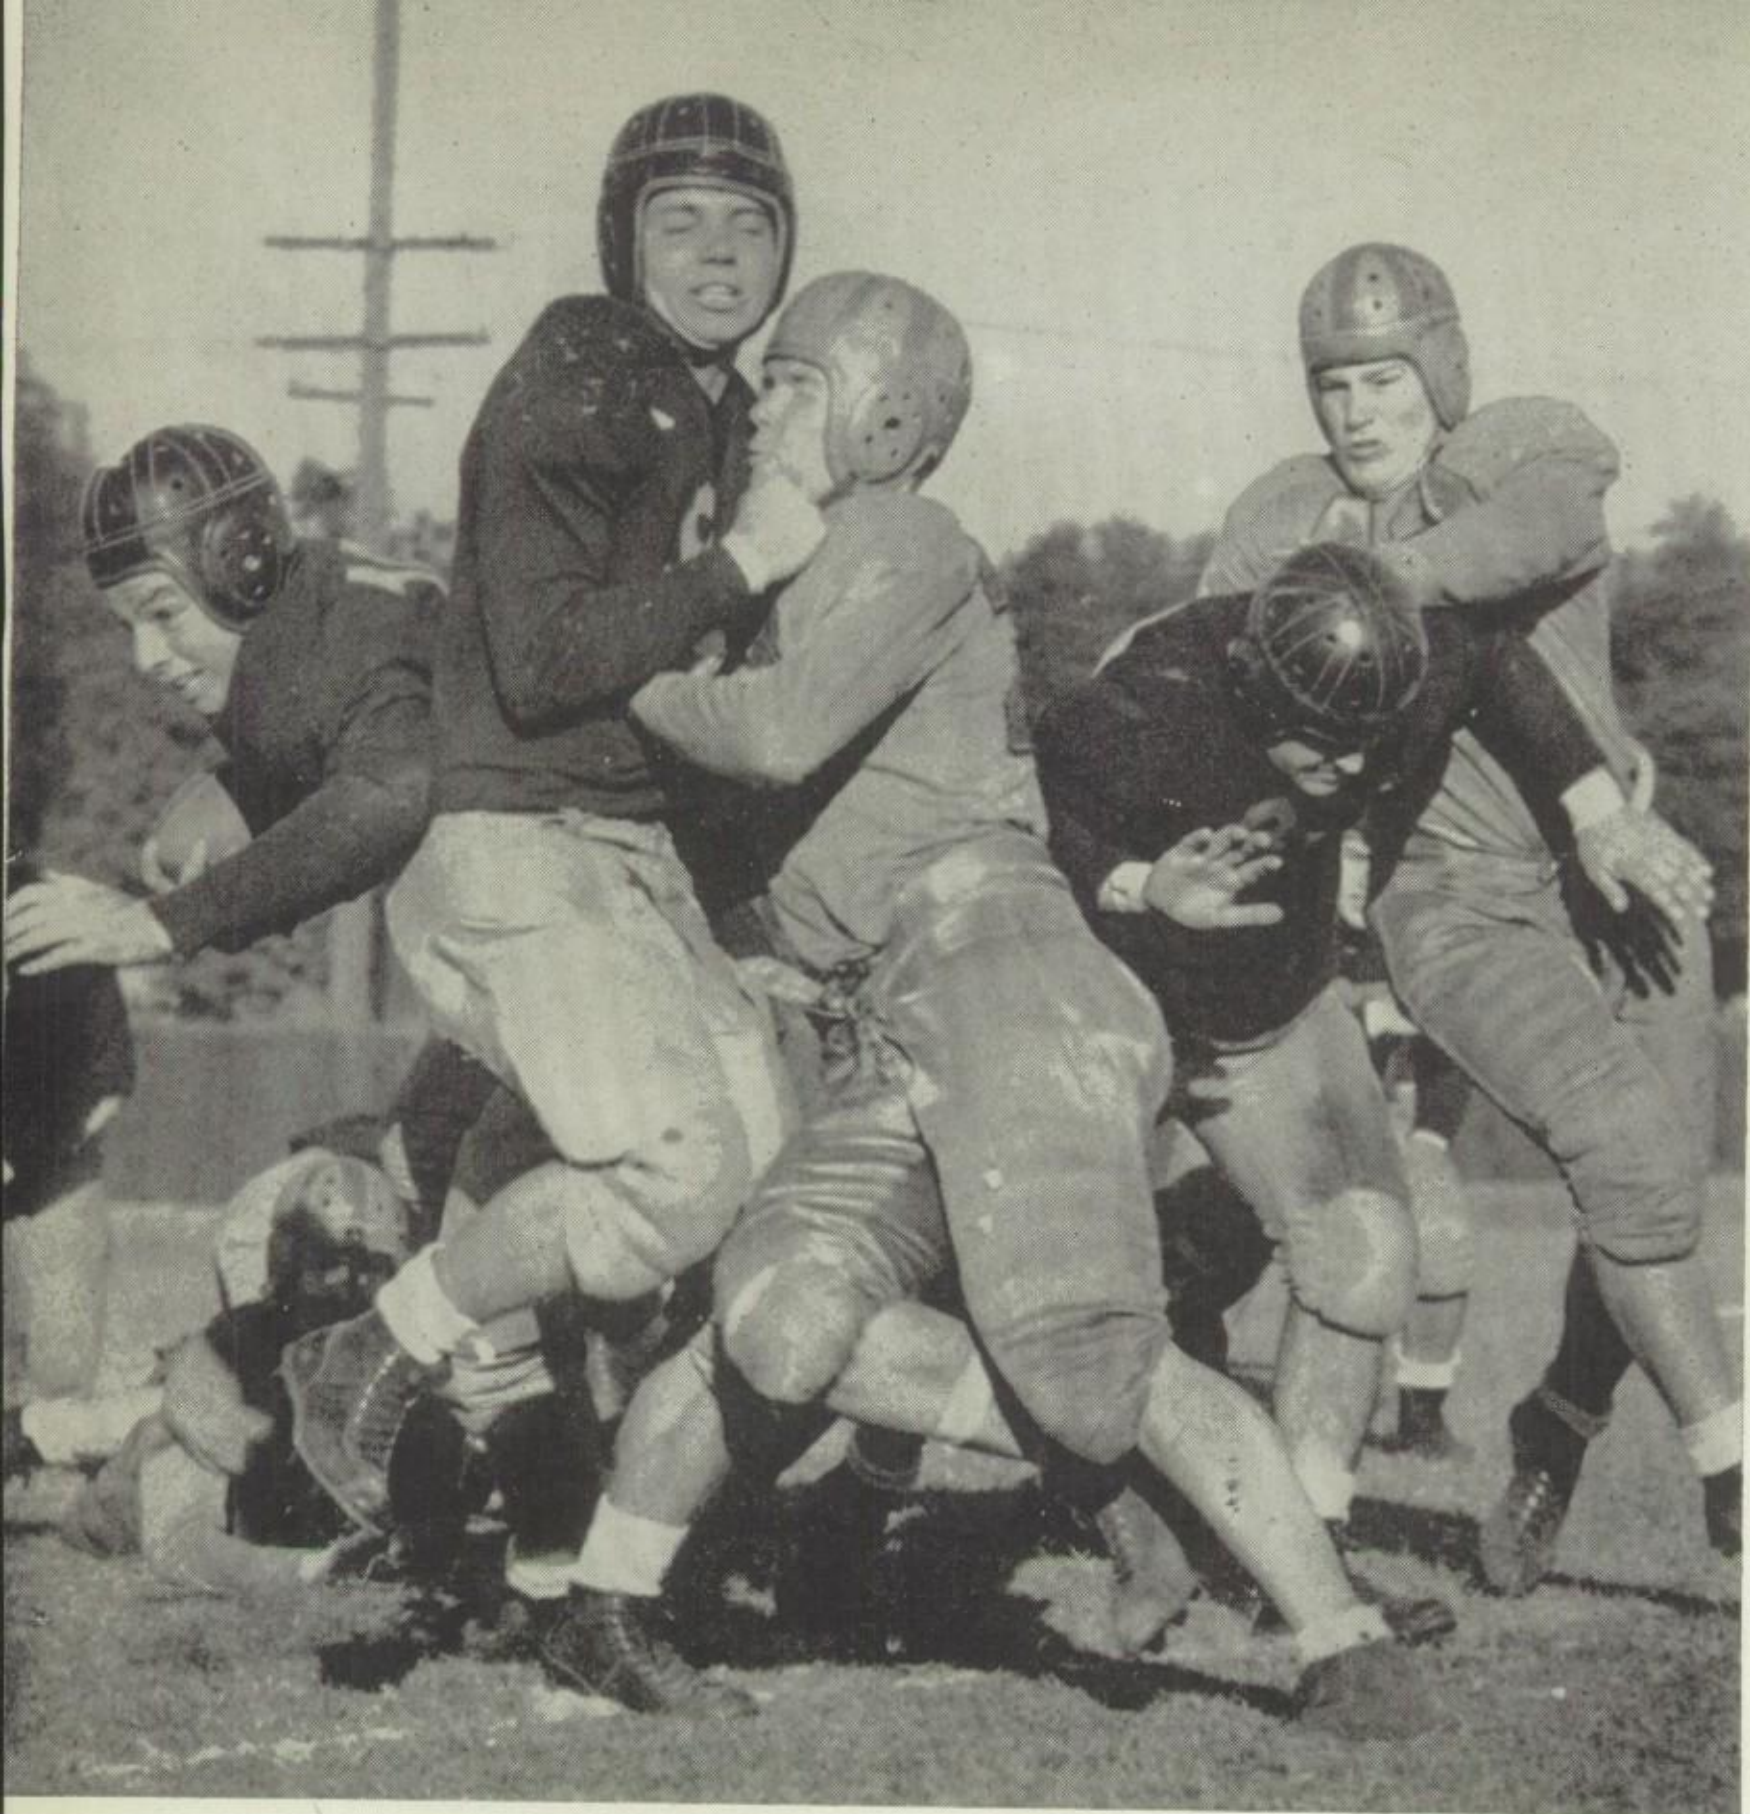

Two great yell leaders, Emery Jones and Jim Brown, an enthusiastic student body, and a great team is all that any school could ask for. And this was the type of backing the team collected at the right moment to carry them on to victory. Going through their routines with plenty of pep, the yell kings did a grand job.

SONG LEADERS

Mildred Kiefer, Nancy Klawiter, and Peggy White made the best group of song leaders seen around this campus for a long time. A highly successful season together with songs and yells from the stands produced a combination which will long be remembered in the annals of the school's history.

FOOTBALL

COACH GRAF

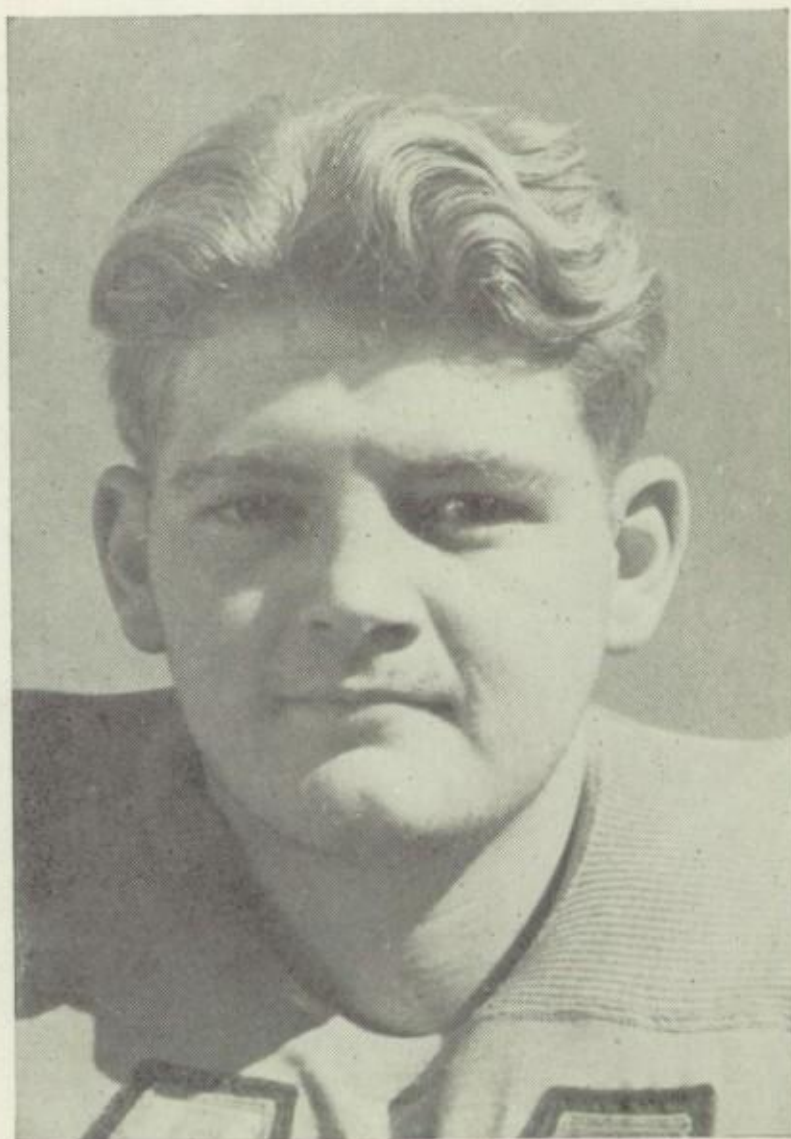

Stepping into the shoes of Amby Schindler, Coach Lon Graf took over the job of coaching the football squad this year. With his superior teaching, the team came along in grand style and ended the season in a three way tie for first place. More than a winning team, sportsmanship and great spirit were the outstanding features of his squad.

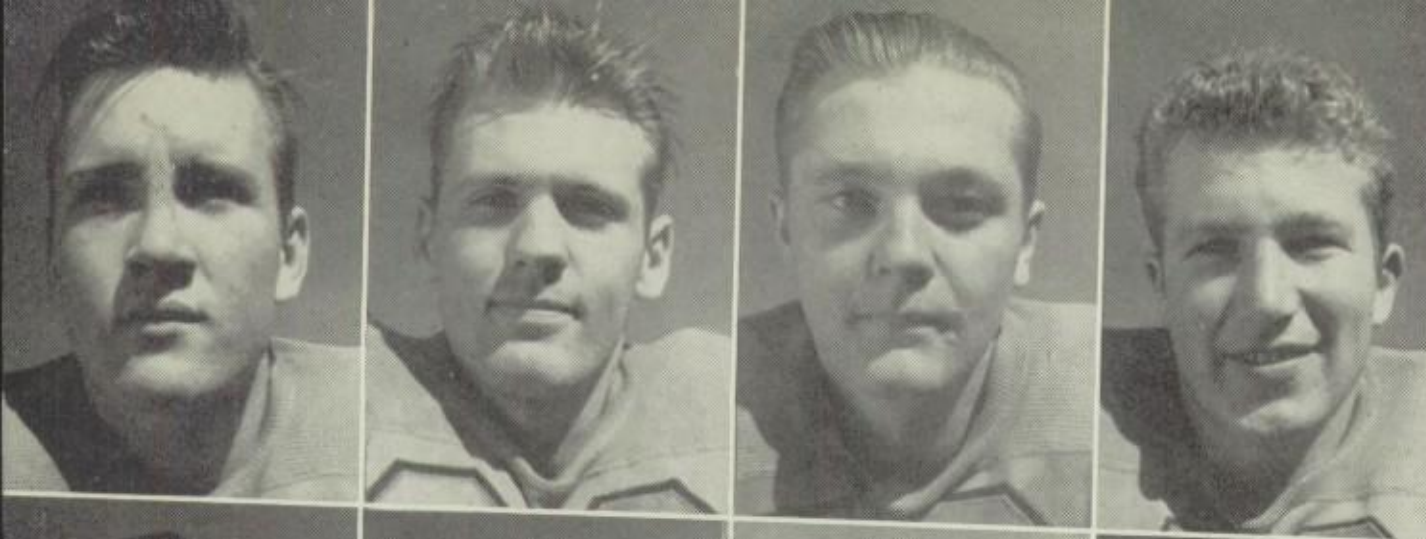

Great material may be expected for next year's team, for Coach Graf worked long hours with the second and third squads, many of whose members are returning next year, along with his great coaching of the first string.

CAPTAIN GRIMLEY

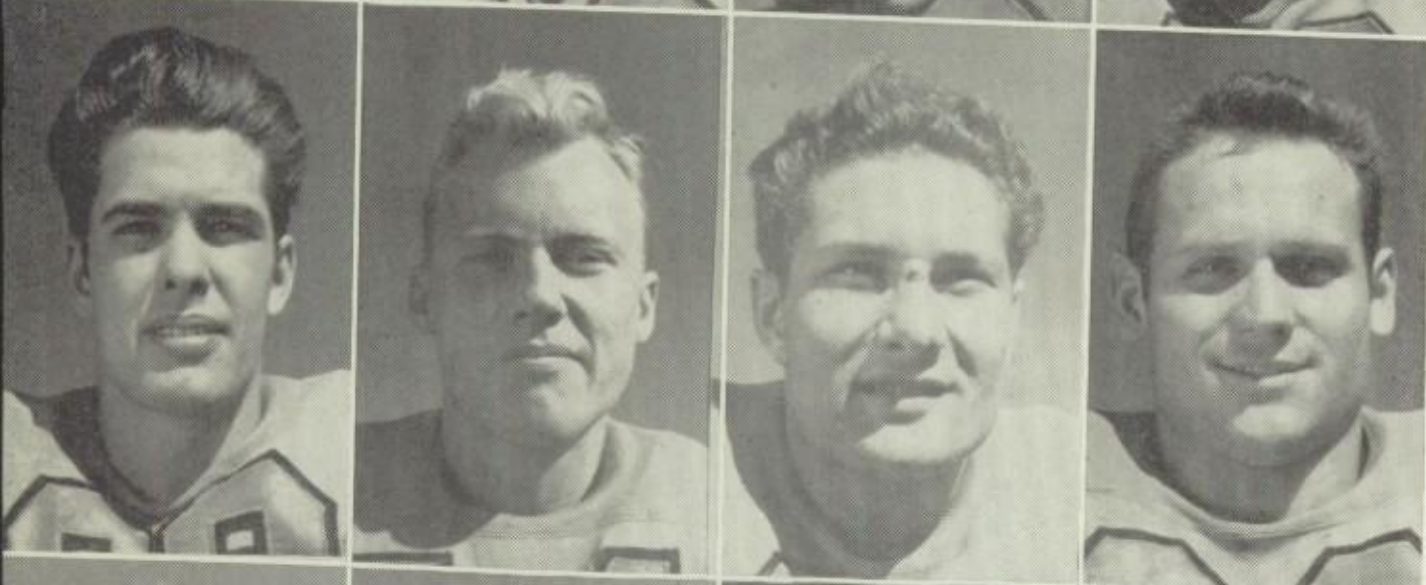

Captain Alan Grimley really deserved his election as Varsity captain. He did a grand job as a triple-threat man in the Glendale backfield. His power plunges through the center of the opponent lines were practically unstopable, while a strong passing arm allowed terrific length and accuracy. In the kicking department he was superb also.

Although his offense play showed him to be spectacular, Al played a great game at defense also. It was a rare occasion indeed that an opposing back got past him.

LETTERMEN

VARSITY SQUAD

At times this year, the Nitros showed their ability to be far above expectations. A winning team, they finished the season in a three way tie for first place along with Alhambra and Long Beach Wilson.

P.J.C. dropped the Dynos in the opener, but it was later discovered that an ineligible man played on the Pasadena squad thereby giving Glendale a forfeit victory.

Showing decided improvement in the second game, they handed El Monte, always a tough team, a two touchdown shellacing. The following week, the most thrill-packed game of all time saw the Nitros overcome a 12 point lead to take a decision over the Keppel Aztecs. This nerve-racking contest proved to be too much, for the next game spelled their defeat at the hands of Long Beach.

The following week the boys found themselves and a huge score was rolled up over the invading Whittier eleven. Next, the squad chalked up an equally great triumph in the all-important city-championship game with the Hoover Tornadoes. Keyed up so greatly in this contest, great holes were made in the Purple's line in virtually every play and hard charging backs plowed through.

In somewhat of an upset, the Nitros stopped Alhambra's Moors by using purely a defensive game and captured the contest in the fourth quarter in one offensive thrust. This proved to be the greatest moral victory of the year. To close the season, Santa Barbara dropped Glendale in a very hard fought Thanksgiving day ball game annual between the two schools.

BEE FOOTBALL

Coached by Jack Gaines this year, the Glendale High Bee football squad won the Foothill league championship. Two great captains, Rodney Bice and Emery Wellman fired their team up at times so that they could meet any situation. Both captains excelled as players also.

The boys showed plenty of promise in winning the first two league games. And at the completion of the next pair, were still undefeated although these contests both ended in ties, one to Whittier and the other to Hoover.

To finish the league season, they outscored Alhambra in a thriller for the Foothill title. In the C.I.F. Championship game the Blasters, playing far below par, met defeat at the hands of South Pasadena.

BASKETBALL

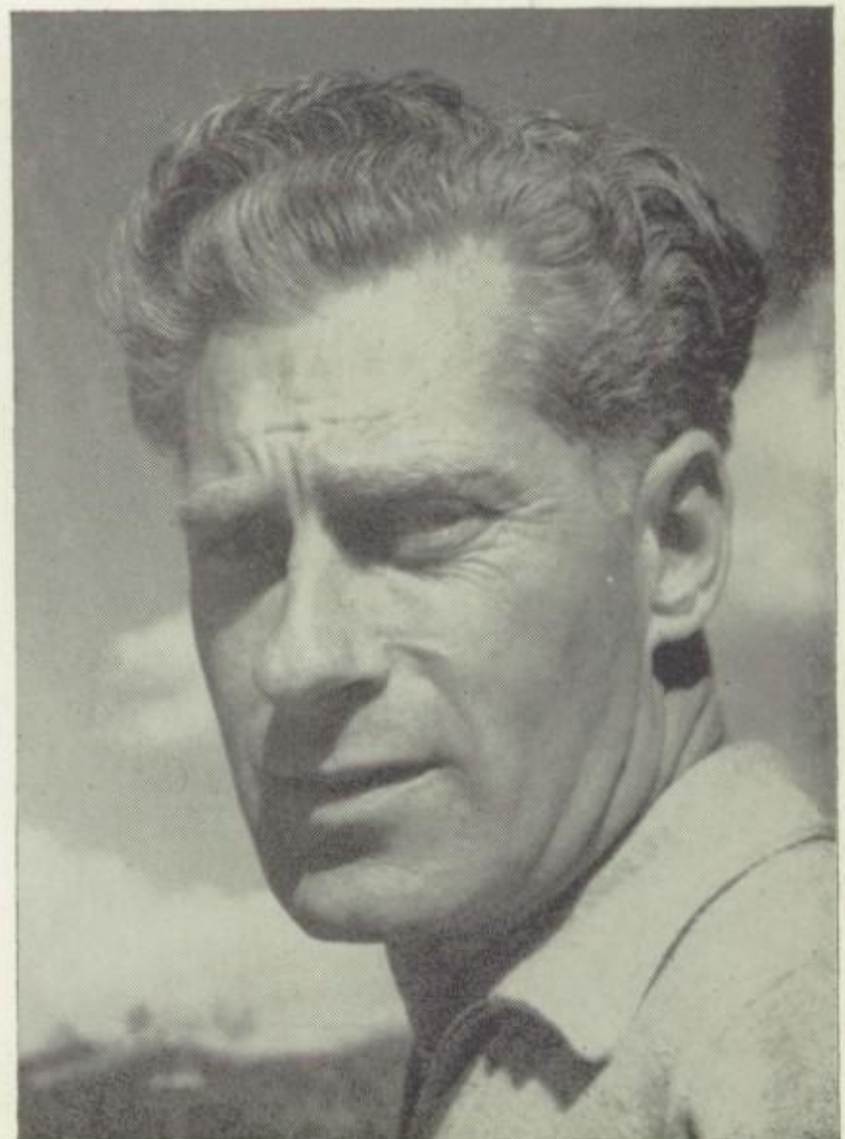

CAPTAIN MAGA

Vince Maga, although rarely if ever high point man on the team, was highly respected by opposing players. His excellent ability in ball handling and brilliant "feed in" throws for set-ups was one of the main reasons for the squad's great success. Every minute he was in the game he gave top notch performance. It was this quality which helped the team to come through to victory in those unpredictable moments of every game.

COACH DE MANDEL

Taking over duties as head coach, Ranier DeMandel organized Varsity and Bee squads long to be remembered. Both were top notch teams and the Varsity won the Foothill league and Pasadena Tourney championships.

Coming to Glendale High in 1936, he proved his ability as an outstanding track mentor. This year, due to the shortage of coaches, he took over the responsibilities of the hoop squads and his success in track seems to have carried over with him.

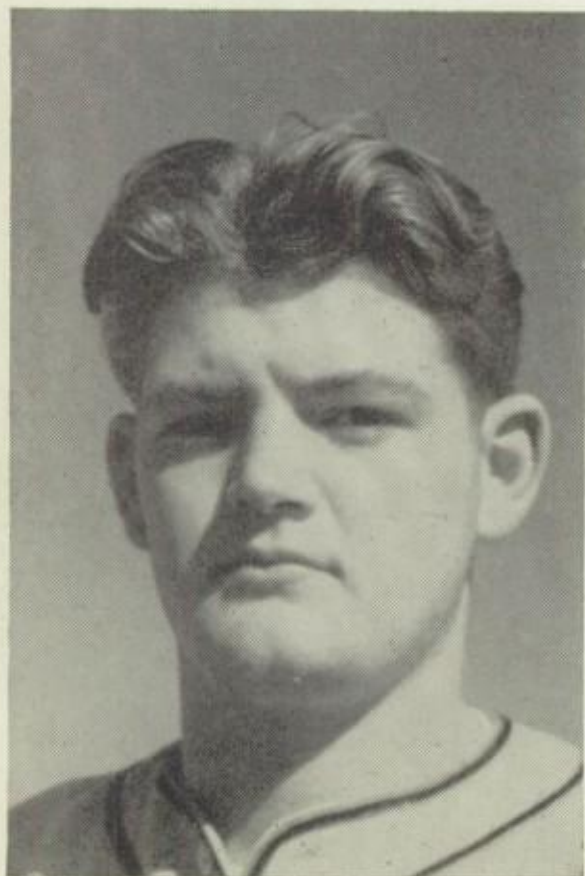

LEAGUE CHAMPIONS

VARSITY SEASON

"Player of the Year"
Alan Grimley

After a few practice contests, the Glendale High basketball squad proved that they were a team which would "go places."

The first league contest saw the Nitros roll into high gear to top Alhambra 56 to 23. Whittier, next on the schedule, was easily dropped by the championship-bound Dynamiters, 42 to 29. The most important contest was between Glendale and Hoover and was won by Glendale, 35 to 15 in a hard fought scrappy ball game, typical of all cross-town contests.

Long Beach Wilson, was next on the list and, like all the rest, went down to defeat at the hands of the Nitro squad who by this time were victory mad. The final game between Glendale and Keppel decided the Foothill league championship, for the Aztecs, too, had remained undefeated. The league championship was earned when the squad dropped the Keppelmen, 38 to 25, to remain undefeated.

Since the second round of play was eliminated due to war difficulties this year, the Foothill league season ended much earlier than others. As winners of the league, they were invited to play Redondo for the C.I.F. title. However, because of the short season, the squad had already disbanded and were forced to turn down the offer. Nevertheless, the team had the satisfaction of knowing that they had previously beaten the beach school in a practice tilt.

The Dynamiters also captured the Pasadena Basketball Tourney title by defeating three tough teams; Monrovia, Montebello, and P.J.C.

The outstanding player of the squad was Alan Grimley, voted by the Helm's Athletic Foundation to be the southland's "player of the year." He justly earned this title, for along with his crafty ball handling and spectacular defensive play, he was high point man of the league.

BEE SQUAD

When the final scheduled game was over the Glenda's the Blasters' downfall. They lost in a very thrilling, hard fought Hoover. The playoff between the two teams proved to be the Blaster's downfall. They lost in a very thrilling, hard fought tussle by but two points.

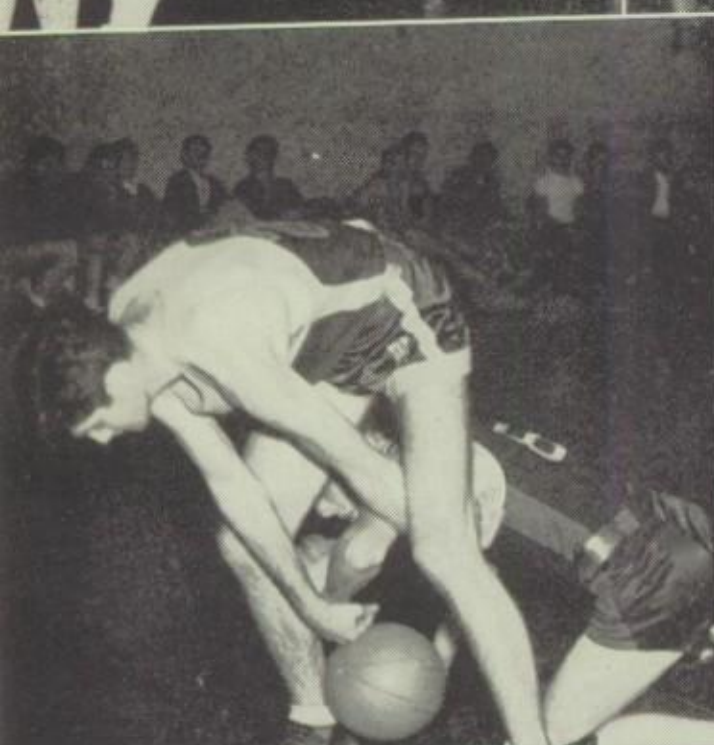

The squad started off the league season by overwhelming both Alhambra and Whittier. In the third contest, the Blasters played their jinx team, Hoover, for the first time and lost by a one point margin. To wind up the scheduled season they set down both Long Beach Wilson and Mark Keppel in easy fashion.

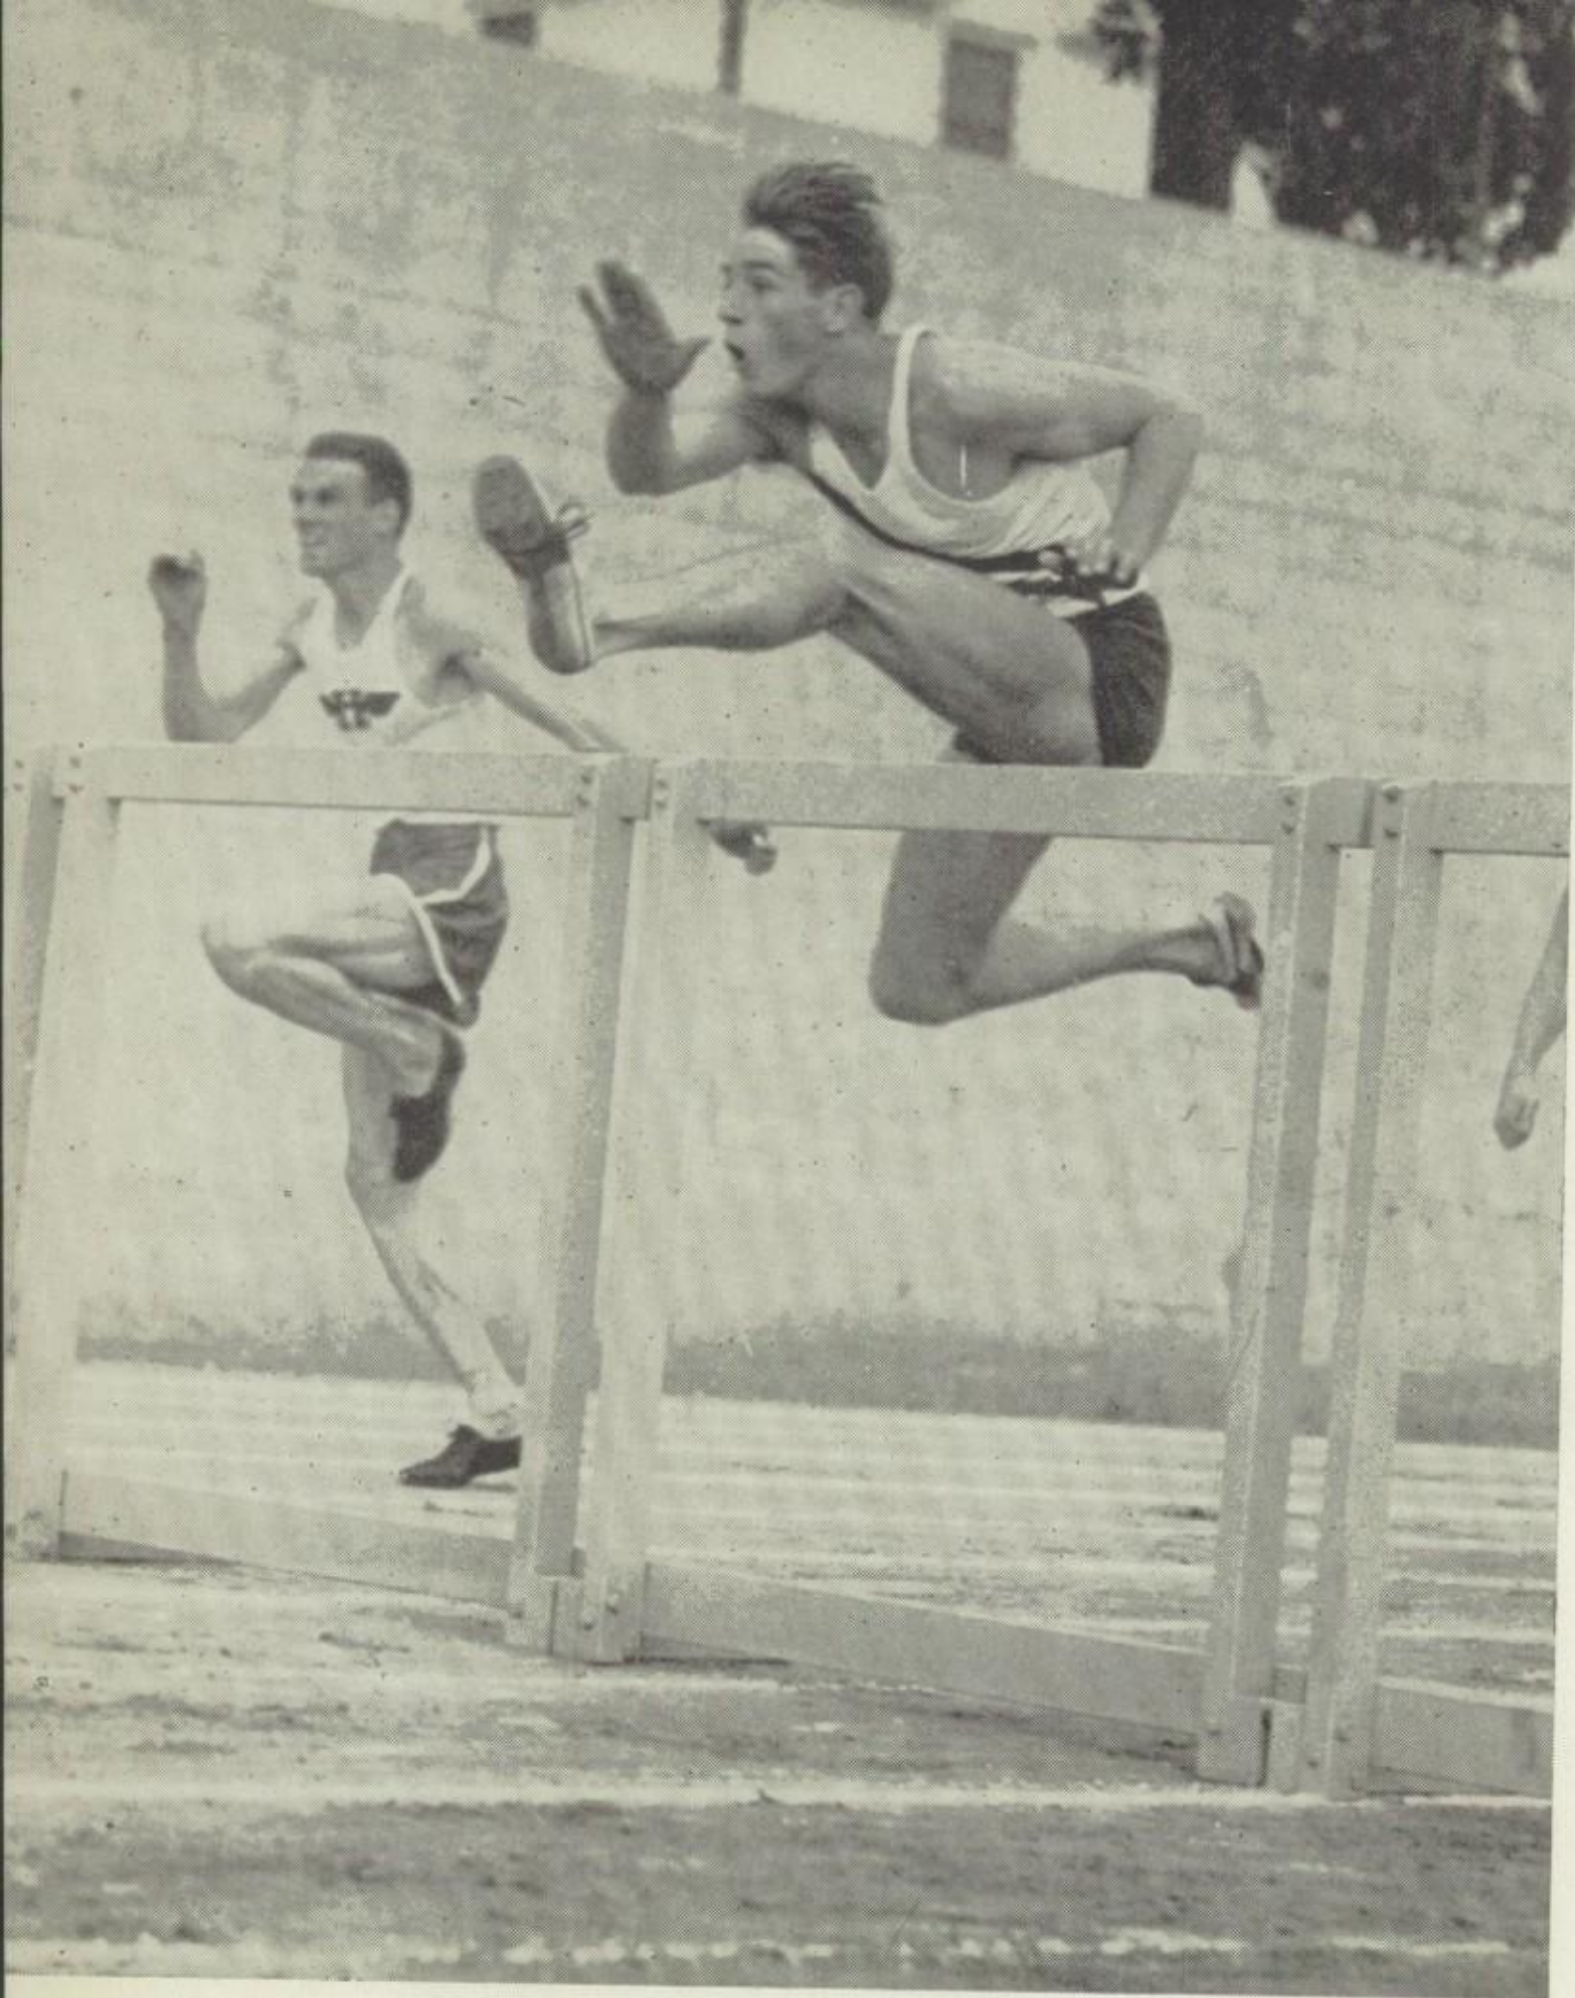

Johnny O'Neil captained the squad and always played a great dependable game at guard. More than once it was his last minute basket or excellent playing which shifted the tide of battle on the side of the Blasters.

TRACK

COACH DE MANDEL

After taking over the responsibility as coach in Bee and Cee track in 1937 and two years later garnering the Varsity head coach spot, Ranier DeMandel has produced nothing but outstanding squads. This year's team, the strongest seen at Glendale in a great many years, was one of the greatest in California.

Both Zan Myers and Al Lawrence hung up records long to remain unbroken in high school track, this year. Lawrence set the national mark for the low hurdles in the C.I.F. Divisionals, stepping them out in the very flashy time of 23.4. He, too, was undefeated in the high hurdle event, hanging up a mark of 15.8 as his best effort. Al lost but one event the entire year, and this was in the broad jump. Bud Willey outdistanced him in the Hoover meet by several inches, but later on, in the All-league meet, Al leaped 23 feet 1 inch to defeat his rival.

Myers improved steadily as the season progressed. A great sprinter, he hung up two great records, 9.8 for the 100, and 21.7 for the 220. He was undefeated in the furlong, and lost but one race in the century with high school competition.

Both Myers and Lawrence ran in the undefeated Glendale relay squad.

TRACK CHAMPIONS

Exploding furiously against all competition, the Glendale High track squad went undefeated the entire year and gained many championships en route.

Titles they collected were: (1) City Championship, (2) Inglewood Relays Championship, (3) League Championship, and, (4) C.I.F. Championship. The last title, the most important, was easily won with points to spare and proved Glendale to have one of the top teams in the state.

The Nitros started the season by defeating a tough South Pasadena squad and then went on to win from Santa Monica and Mar: Keppel in easy fashion. The next contest was a triangular affair between Inglewood and Long Beach Wilson, and Glendale came up the top team and here collected two victories.

Next on the list was the Trobables of Southern California, and again the Nitros came out of the contest with a victory. Beginning to show their real strength, they overwhelmed a previously strong P.J.C. frosh with a lopsided score.

Hoover, next on the list, went down to defeat at the hands of the great Glendale squad. Later, the Dynamiters went on to win the Inglewood Relays by an easy margin and then to capture the All-league and C.I.F. meet in easy style.

Lawrence, Myers, Smith, Baglin, Walt Houston, and Thorpe all reached the C.I.F. Finals.

Paced by Captain Frank Courtney, the Glendale Cee track squad came up with another great season. South Pasadena, Santa Monica, Mark Keppel, Inglewood, and Pasadena were all defeated by the scrappy Firecrackers. The squad placed third in the Inglewood Relays and lost close decisions to both Long Beach Wilson and Hoover.

Those receiving Cee letters were Brands, Clarke, Courtney, Curtis, Graham, Gibson, Hall, Hamilton, LeBold, Lorera, Porter, Remmen, Streeter, Whalen, Zinc, and Winship.

CEE TRACK SQUAD

BASEBALL SQUAD

The results of two games this year gave the Glendale Horsehidiers a very successful season. These contests, of course, were against the cross-city foe, Hoover, and the Nitros came out on the long end of the scores in both games, 2 to 1 and 4 to 2. It has been many years since the baseball squad has taken both the first and second games in one season.

In league play the Nitros captured fourth spot. The team was handicapped in that they were short of pitchers. Before the season started, No. 1 man on the pitching staff, Alan Grimley, left for the Navy and his loss was deeply felt.

Earl Reardon, seemed to be the spark-plug of the team and was voted captain. His great fielding around third base and his timely hitting was a great asset to the squad.

Lettermen included: Aiken, Edmond, Moore, O'Neil, Reardon, Roberts, Ross, Stearns, Webb, Welch, White, Woodard, Youngerman, and Zeigler. The managers were Hurtel and Lane.

League champions this year, the Glendale tennis team proved to be one of the strongest of the many great squads ever to represent the school.

At the start of the season, it appeared that the Nitros would be unbeatable. However, in a great upset towards the end of the season, the squad, after a long Spring vacation, surprisingly wound up on the short end of a tussle with Alhambra—a team previously defeated in the first round of play.

Three men were undefeated in league play and they were Marty Veselich, Gordon Porter, and Bill Huested.

Team members included Veselich, Huested, T. Haynes, Porter, Hayes, D. Haynes, Urquindi, Kinsel, and Jones.

SNAPS

Remember how we
Counted the days till vacation

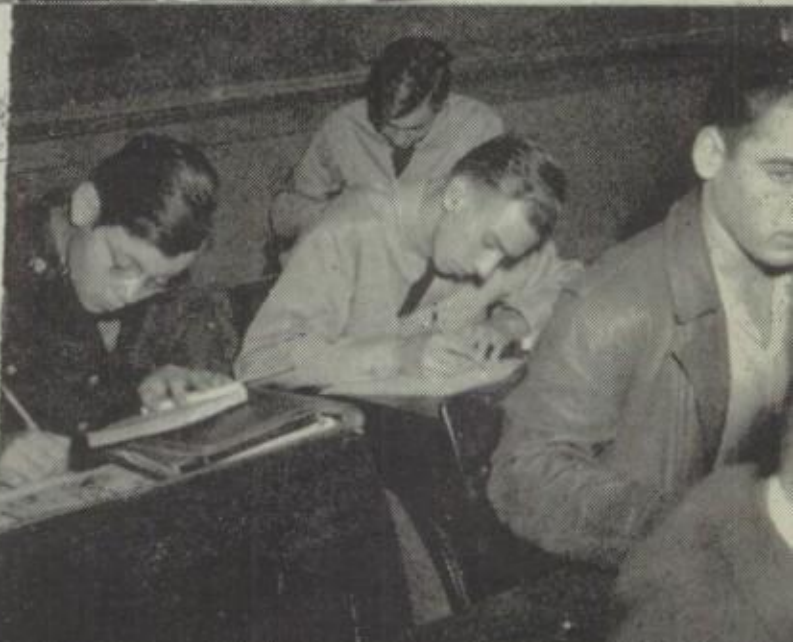

Something the Axis Forgot

"THAT IT SHALL NOT PERISH FROM THE EARTH." Each day in our schools, we work and plan and teach so that the world of tomorrow will be true to the promise that our way of life shall not perish from the earth. . . . This is America's tradition. This is the inspiration behind the fighting spirit of our boys who are meeting the enemy around the world. . . . It is the priceless heritage that our boys and girls are determined to preserve. No dictator, ever, shall destroy our right to worship as we will; our right to meet in free assembly; our freedom of speech; the freedom of the press. . . . These principles are America and "they shall not perish from the earth."
